

TITAN™

TL40

LINE LASER

The Titan TL40 Line Laser is an all-in-one point laser tool featuring a rugged design that is ideal for alignment tasks done with precision.

DATA SPECIFICATION

Laser Class	Class 2
Laser Wavelength	635±5nm for Red Beam 515±5nm for Green Beam
Levelling Accuracy	±3mm/10m
Levelling/Compensation Range	4°±1°
Working Distance (Line)	15m for Red Beam 30m for Green Beam
Operating Time	20hrs for Red Beam 8hrs for Green Beam
Power Source	4 x AA Batteries
Environmental Projection	IP54
Operating Temperature	-10°C to 50°C
Storage Temperature	-25°C to 70°C
